

MAUI ECONOMIC DEVELOPMENT BOARD
WOMEN IN TECHNOLOGY PROJECT PRESENTS

STEM WORKS

SOFTWARE CAMP FOR MIDDLE & HIGH SCHOOL

ADOBE CS6 ILLUSTRATOR WORKSHOP

2 DAYS JULY 11 & 12

OVERVIEW

In this two day survey course we will explore the industry standard vector drawing program Illustrator by doing a variety of fun and engaging projects. We will be using the framework of Comic Book Design in order to explore the variety of powerful drawing tools available in Illustrator. Students will deconstruct, plan, create, and execute in Illustrator their own storyboards, landscape and characters. Don't miss out come join us at the Tech Park! No experience is necessary!
