AUTODESK® FUSION 360™

Free Workshop for STEMworks™  
Teachers & High School Students

Learn how to 3-D model with Computer Aided Design software Fusion 360!  
No experience needed! During this class you will create your own ready-to-print  
3-D models while gaining confidence and the resources you need to be able to  
mentor others in using Fusion 360!

**2 Days: June 14 – 15, 2017**

Maui Economic Development Board  
Malcolm Center  
1305 N. Holopono Street, Suite 5  
Kihei, Hawaii 96753  
9am-3pm  
Lunch provided

Trainer: STEMworks Facilitator, David Negaard
