GIS STORY MAP WORKSHOP

Featuring STEMworks™
Watershed Curriculum

Wednesday, July 26, 2017

MAUI COUNTY K-12 TEACHER WORKSHOP

COME LEARN

Expose your students to the power of GIS! Learn to utilize Story Maps in the elementary, intermediate, and high school classrooms. Free online mapping tools and activities that lets students and teachers explore and analyze data.

Participants will receive a free copy of STEMworks Exploring Hawaii's Watershed Curriculum.

Participants must:
Pre-register for a free K12 ArcGIS Online Esri School account at:
<http://www.esri.com/connected#school>

Bring own Laptop

PRESENTER
